

Crawford County Public Library

203 Indiana Ave.
English, IN 47118

Tracy Underhill, Library Director

Library Closures

Weather

The Library will follow the Crawford County School Corporation inclement weather closure for the first day the schools are closed. Any subsequent days the schools close, the Library will open if possible. The Library Director will make this decision. In the absence of the Library Director, the Library's Board Trustee President will make the decision. Closure information will be posted on the Library's web site and Facebook page as well as listed under closings with WDRB and WAVE Louisville.

In the event of weather advisories, watches and warnings during normal business hours, the Library may close to ensure staff can safely travel home before travel becomes treacherous.

If authorities have declared a state of emergency, the Library will remain closed until the emergency is lifted. Once the emergency has been lifted, the Library will open only after staff can safely travel and access the building.

Other Emergencies

The Library Director may shorten library hours or close library facilities due to power failures, lack of city water services, Internet and computer outages, or any situation that may deem unsafe for staff or library patrons.

Funerals

The Library may be closed for the staff to attend the funeral of an employee, spouse or child of an employee, or a board member at the discretion of the Library Director and consultation of the Library Board President.
